Prayer to Śri Shanmukha-02 for the health and welfare of all

śkandaśakti hāstāyam śambhu nētra bhavāyaḥ
sarva rōga vināśāya namastē śhaṇmukhāya ca

Śri Mahā Vallabha Ganapati Devasthānam

Meaning
One who prostrate and worship with reverence by praying Lord Śri Shanmukha, who is revered as skanda (clever person), who has a spine-like arm (vajra šakthi) in his hand that flashes like lightning and shed from the eyes of Lord Śiva for the sake of protecting the world, would get completely relieved from all the infectious diseases.
