Meaning

The epic *Śrimad Vālmiki Rāmāyana* reveals on the *Guru* (Sage) who has vast knowledge, initiated and blessed the sacred bow & arrow. *Lakshmana* who is forever seen serving together with Lord *Rāma*. The kind-hearted King *Daśaratha*. *Hanumān*, whose arms extend up to his knees possessing enormous energies. And the one, who is without beginning, protector of universe, lord of *Raghuvamsa*, *Śri Rāma*. Pray. He will rescue all.
